

Come together in the morning

(FREE PAUL RODGERS)

**It makes me sad to think of you
because I understand the things you do
there is no one else can take your place
in my life alone I hide my face**

**Come together in the morning
I can understand your mind
come together in the morning
see the world the same as me**

**There was a time, it's in the past
I thought our love was born to last
but now you say you are torn in two
that's what my love has done for you**

**Come together in the morning
I can understand your mind
come together in the morning
see the world the same as me**

**Come together in the morning
I can understand your mind
come together in the morning
see the world the same as me**

**It makes me sad to think of you
because I understand the things you do
there is no one else can take your place
in my life alone I hide my face**
