

HEAD SONG

3 ' 33 " CHAR

Everybody, if you wanna feel free

I got a little bit stuff to get your little more higher

Everybody, if you wanna be real

I got a little bit different stuff to make you feel better

You don ' t have to change your mind

Just do what you do, what you wanna do Even, say Good-bye

May be you ' ve done it before

You never know who got a stuff that low your mind

May be, still lookin ' for

Lookin ' for another stuff that just I got right now

You don ' t have to look behind

I don ' t care what you gonna do

You ' ve ain ' t gonna waste your time

Refrain
