

LOVE IN VAIN

Well I followed her to the station
With a suitcase in my hand
Year, I followed her to the station
With a suitcase in my hand
You know it ' s hard to tell It ' s hard to tell
When all your love ' s in vain

When the train come in the station
I looked her in the eye
Year, the train come in the station
And I looked her in the eye
Woh I felt so sad so lonesome
That I could not help but cry, cry, baby

(Guitar)

When the train left the station
It had two lights on behind
Year, the train it left the station
It had two lights on behind
Woh the blue light was my blues
And the red lights was my mind,
I wanta tell you

All my love All my love Oh,year

(Guitar)
